Supervisor Antonovich made the following statement:

“The Los Angeles County Agricultural Commissioner/Weights and Measures Department, the Los Angeles County Farm Bureau, California Women for Agriculture and the 48th District Agricultural Association have joined together to form a foundation whose mission is the annual production of an event to introduce the agricultural sciences to students.

“This year’s two-day event will be held May 19 and May 20, 2004. With the farm area and animal pens of the County Fairplex in Pomona as a backdrop, various aspects of production, agriculture, and support services will be presented to more than 2,200 fourth grade students from the County of Los Angeles. The theme, ‘Agriculture Belongs in Our Kids’ Educational Diet!’, has special significance as the County makes an increased effort towards service excellence in their strategic plan.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Burke, unanimously carried (Supervisor Yaroslavsky being absent), the Board proclaimed May 19 and May 20, 2004 as "Ag Day LA" throughout Los Angeles County; and urged all citizens to recognize the efforts being made to make our children well informed, healthy consumers and educate them about production agriculture and the agricultural heritage of Los Angeles County.
